BH

To whom it may concern;

I hereby verify that the following dates are indeed biblical Jewish Holidays, and that people of the Jewish faith are prohibited from working, riding in cars, writing, etc. on Saturdays and on these Holidays.

As the correspondence to the civil calendar varies from year to year, I am stating the dates for the remainder of 2017:

Rosh Hashanah: September 21-22

Yom Kippur: September 30

Sukkot: October 5-6

Simchat Torah: October 12-13

Jewish Holidays, as well as the Sabbath, begin at sundown the preceding evening.

All courtesies extended to Jewish students and employees would be greatly appreciated.

Please feel free to contact me, if need be.

Sincerely,

Rabbi Moshe Y. Bleich
